

## Overview

### King's Ely Year 12 STEM Scholarship

Awards of up to 5 per cent of the day tuition fees for excellence in STEM subjects are available at King's Ely in Year 12.

All external candidates are required to submit a registration form along with the STEM scholarship application form, which should be signed by their current head teacher.

Internal candidates wishing to apply for a continuation or new STEM scholarship should also complete an application form, signed by King's Ely Senior's Head of Design Engineering, Patrick Carberry or Ned Kittoe, Head of Science.

All forms should be submitted to the admissions' department by the start of half term in the Michaelmas Term. Assessments and/or interviews take place in the November before September entry.

Mr Carberry or Mr Kittoe will be pleased to meet with prospective candidates and their parents, give advice on preparation for the assessment and/or provide any information about King's Ely.
